21/069 CHAIRMANS ANNOUNCEMENT

Councillor Laughlin recorded formally that the Derbyshire Dales Call for Sites Consultation May 2021 had started and the PC should look at a strategy for dealing with it. Councillor Laughlin went to Sycamore Way following concerns about riding bikes etc raised at the last meeting. There appears to be no change to the site. The road is still unadopted and most houses are now complete. The Avant site appears to be poorly maintained. A parishioner had raised concerns about a path not joining up with other developments. Cllr Laughlin was unable to locate the footpath in a site visit. Cllr Cragg will discuss with complainant. The Clerk has followed this up with DDDC/Councillor M Morley.

21/070 CO-OPTION OF COUNCILLOR

There had been no applicants for the vacancy.

21/071 FLOODING/STW UPDATE

No update received from STW. The Cameron site water retention ponds appear to be working but concerns were raised that they need fencing off as well as the Miller Homes site one. The Miller site looks to be maturing nicely. The Avant site requires some grounds maintenance.

21/072 NEIGHBOURHOOD PLAN UPDATE

Final updates to the plan had been submitted to DDDC. The plan goes to DDDC Committee on the 18 June for ratification.

21/073 INTERNAL AUDIT 2020/2021

The internal audit had been received and was noted.

21/074 BRAILSFORD INSTITUTE S106 MONIES

Councillor Laughlin had been unable to attend the last meeting and the proposed plans have not been received. The Institute are still looking at redevelopment. The Pre-school had raised issues with the cleaning. The Parish Council raised concerns about the ground's maintenance including overgrown hedge at the drive exit. It was agreed that it is important that an additional person attends the Institute meeting and this would be followed up with Councillor Tice. It was agreed to ask the Institute Chair to attend a PC meeting to provide an update. The next Institute meeting is 23 June which Councillor Laughlin may not be able to attend.

21/075 EDNASTON TRAFFIC TO PEDESTRIANS

No response from DCC or Councillor Bull. The road through Ednaston is in a poor condition.

21/076 PREVENTION OF FUTURE PROBLEMS ON THE A52 PAVEMENTS

A response had been received from DCC today. SBS: 35897673 Main Road, Brailsford. Vegetation issue. Thank you for your email. The vegetation has been cut back by the landowners and not DCC. I am sure the inspector will monitor the situation and arrange to contact the land owners again if required.

21/077 SID PROPOSAL

Councillor Laughlin had also chased DCC for an update and is keen for a new additional sign to be agreed and installed and maintenance of the old one. Councillor Cragg had seen at least three speedwatches on the A52 and some on Luke Lane

21/078 CHRISTMAS UPDATE

No further update. There is a potential green area on the Avant site for a tree.

21/079 SUMMER VILLAGE PARTY

It was agreed to defer an event until next year to celebrate the Queens Platinum Jubilee possibly in conjunction with the Institute/Playing field working group. Councillor Laughlin to raise with the Institute Committee.
